

Figure 1

[illegible]

Figure 3

The diagram shows two intersecting circles. A horizontal line passes through the intersection of the two circles, with points B, V, C, and U marked on it from left to right. A vertical line passes through the intersection of the two circles, with points A, M, and D marked on it from top to bottom. A red line segment connects points H and G. Points E, F, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z are labeled on the diagram.
